Building Code Update

Harford County has recently adopted the **2006 International Building Code** and the **2006 International Residential Code** for one and two family dwellings and their associated structures. The new code (Bill 08-03, as amended) is effective **April 21, 2008** and will apply to all permit applications made on or after this date.

Copies of Bill 08-03 containing the local amendments to the adopted International Codes may be obtained by contacting the Harford County Council Office at (410) 638-3343, or on the web at <http://www.harfordcountymd.gov/Council/>.

The 2006 International Building and Residential Code can be purchased from the International Code Council by calling 1-888-422-7233 or by visiting the ICC Web Store at <http://www.iccsafe.org/e/category.html>
